

TREASURE VALLEY
EDUCATION PARTNERSHIP

*Every child.
Every step of the way.
Cradle to career.*

Opportunity to Improve

- By 2020, more than 60 percent of Idaho jobs will require a career certificate or college degree.
- Roughly 90 percent of Treasure Valley students graduated from high school in 2009.
- It is estimated that fewer than half of these graduates went on to some form of postsecondary education by age 19.

Every child. Every step of the way. Cradle to career.

TVEP's Goal

TVEP's goal: To coordinate the area's existing resources and institutions to ensure at least 80% of Treasure Valley students go on to college and/or career/technical education by 2016.

Every child. Every step of the way. Cradle to career.

Shared Community Vision

Shared Community Vision: Every child, every step of the way, cradle to career.

Mission: The Treasure Valley Education Partnership is an unprecedented collaboration designed to advance a world-class education system that leads all students to their career of choice.

Every child. Every step of the way. Cradle to career.

Focus Areas

TVEP focuses on ensuring that every child:

1. Is prepared for school.
2. Is supported inside and outside school.
3. Succeeds academically.
4. Enrolls in and completes some form of post high school education.
5. Enters their career of choice.
6. Is supported through meaningful career progression.

Every child. Every step of the way. Cradle to career.

Low Income Students by District

2011-12 Free and Reduced Lunch Recipients (grades 1-12)

Goal Area 1: Prepared for School

- Measures of School Readiness
 - ✓ % of Kindergarteners at Benchmark on Fall Idaho Reading Indicator (IRI)
 - ✓ Social/Emotional Indicator (TBD)
- Focus on Access to Quality Care and Early Education

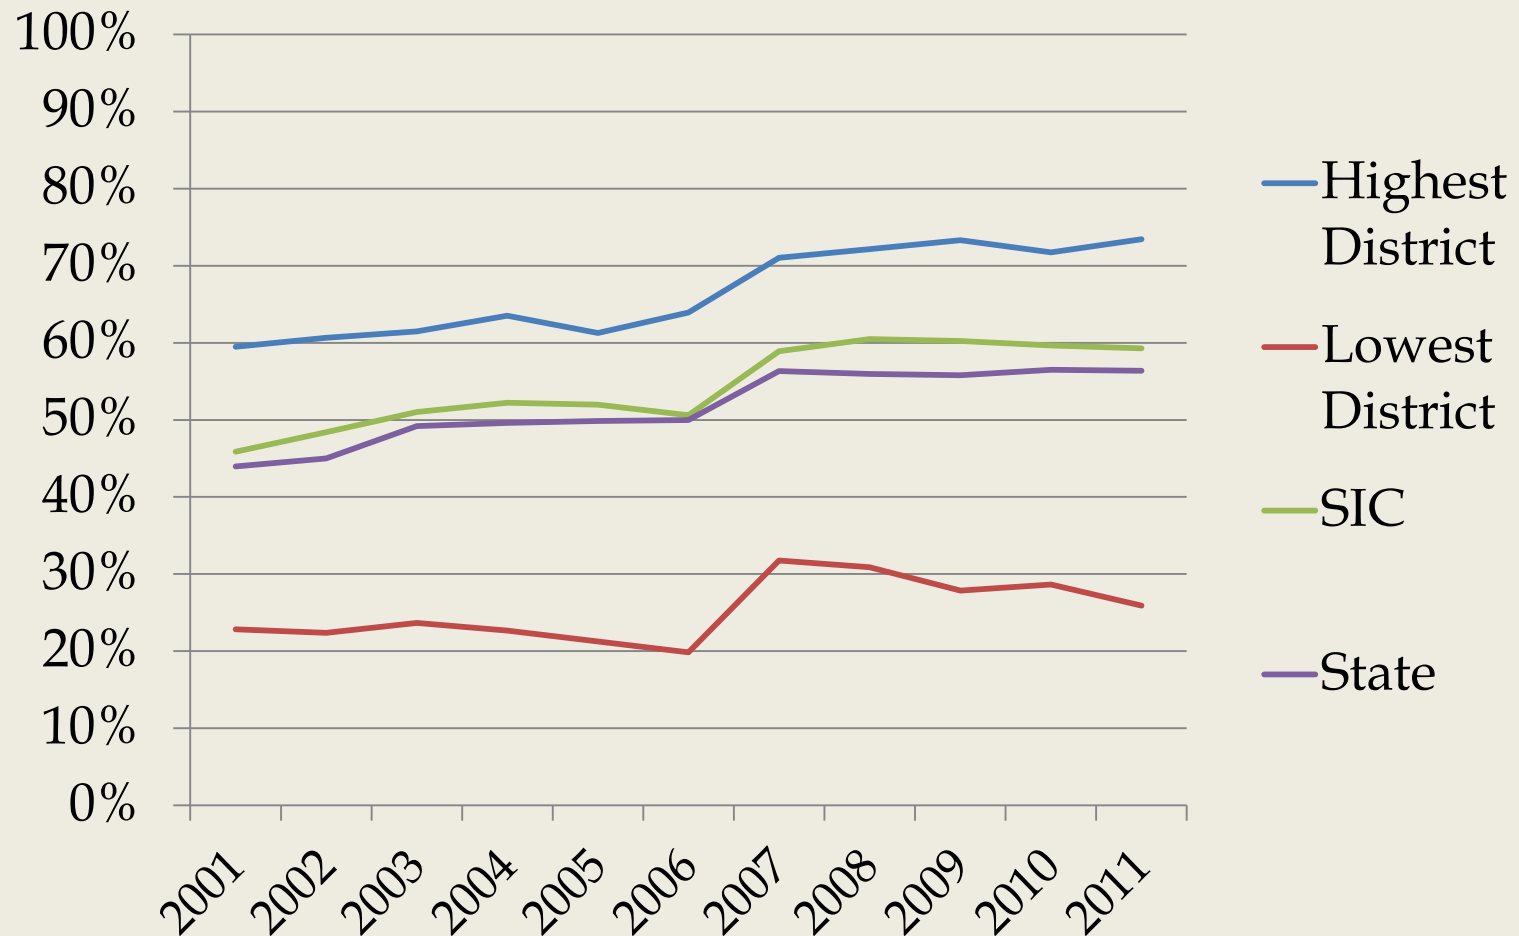

Every child. Every step of the way. Cradle to career.

idahotvep.org

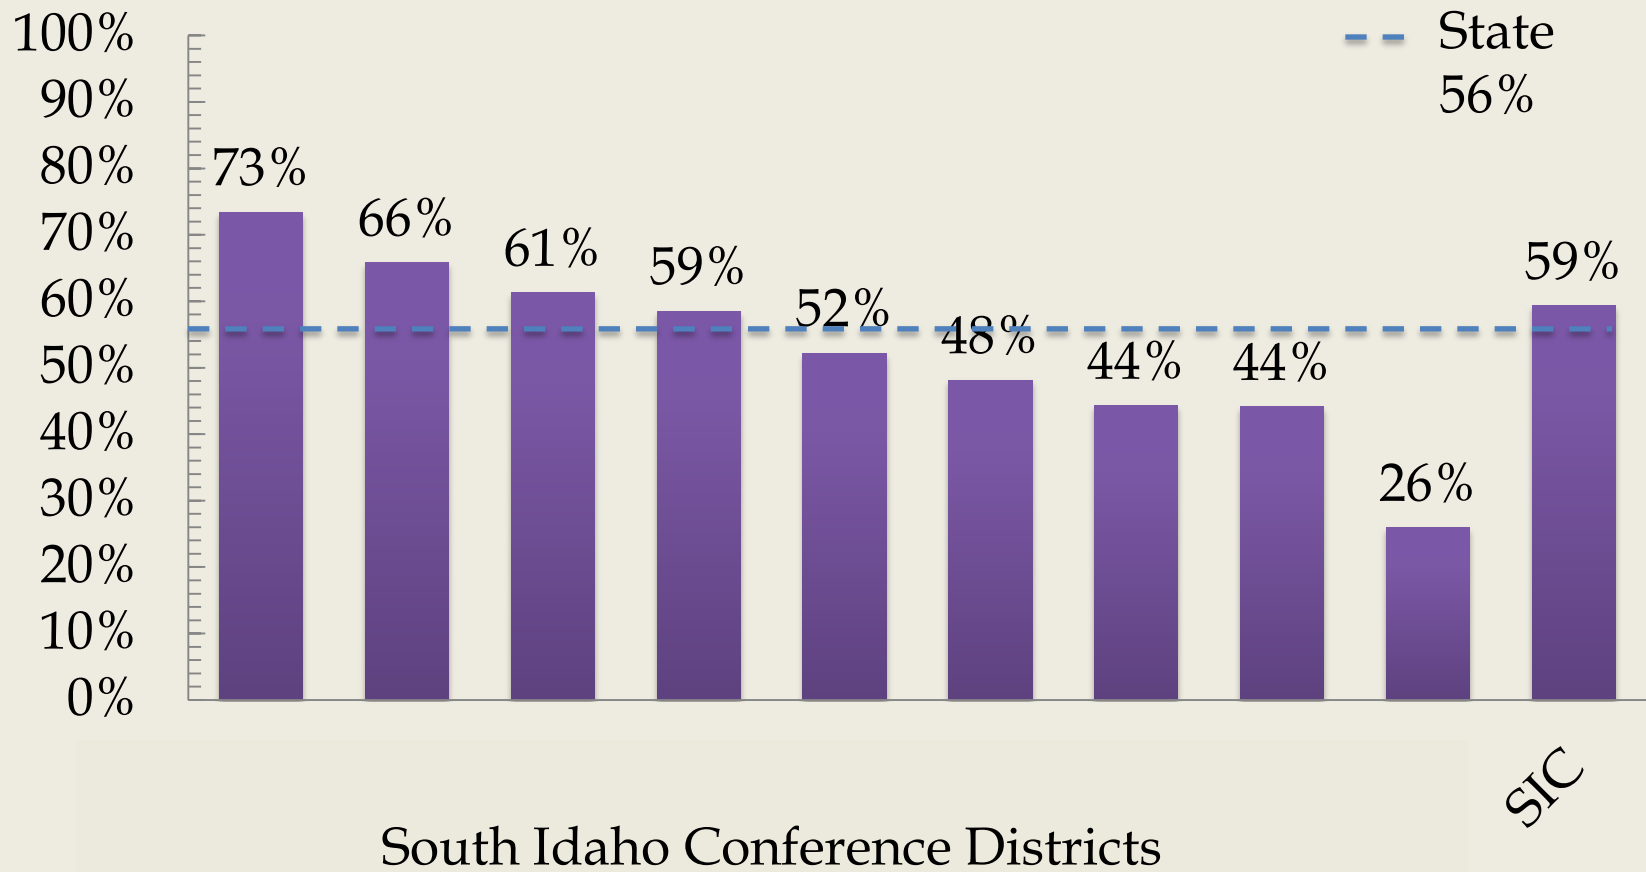

Fall Kindergarten IRI Results from 2001-2011

% of Kindergarteners at Benchmark

2011 Fall IRI Results by District

% of Kindergarteners at Benchmark

Goal Area 2: Supported in and out of School

- Focus on Empowerment
 - ✓ Every child benefits from positive social relationships, positive attitudes and emotion, ability to control one's behavior and feelings of competence
 - ✓ Increasing opportunities to empower youth
- After 3 expansion throughout Treasure Valley
 - ✓ Common tool to provide baseline information on services (type, quality, and frequency of use)
 - ✓ Can be mapped with academic, demographics, and crime statistics

Goal Area 3: Every Child Succeeds Academically

- Idaho Standards Achievement Tests (ISAT)
 - ✓ % of 3rd grade students scoring advanced on the ISAT Math and Reading tests
 - ✓ % of 8th grade students scoring advanced on the ISAT Math and Reading tests

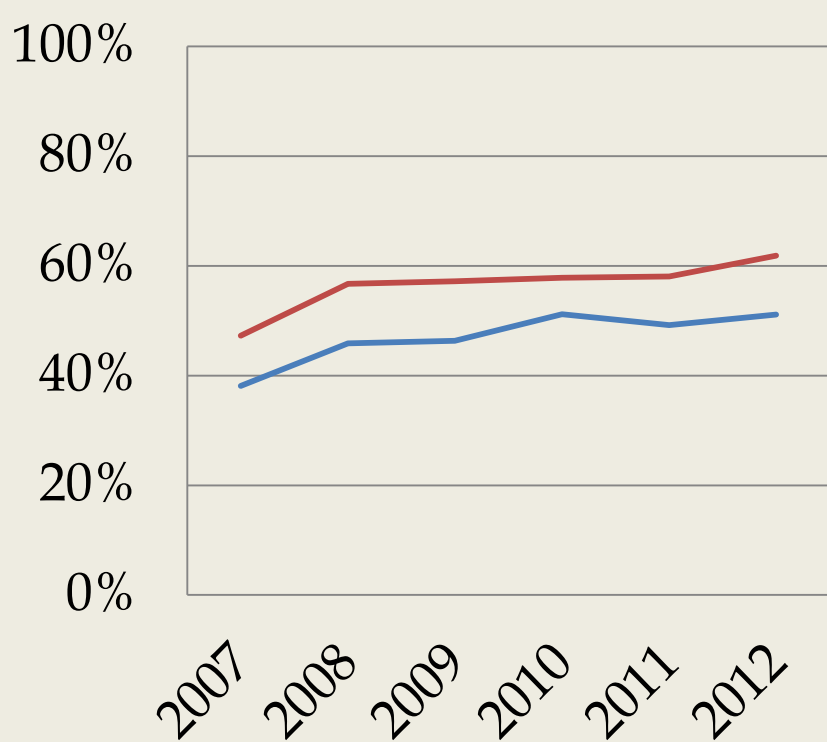

Every child. Every step of the way. Cradle to career.

National Student Clearinghouse (NSC) Data

- Tracks 96% of students at public and private U.S. Institutions.
- Does not currently contain College of Idaho.
- Matches students by name and birthday; may result in some missed students if names are not an exact match.
- International HS graduates at U.S. Institutions may not be counted.

first year after HS.

Post-Secondary Completion Rates

for 2005 high school graduates

*Estimates are preliminary.

State data was used for 5 districts due to lack of NSC data. NSC data was used for 4 districts. One district was not included.

Three SIC districts and Bishop Kelly are not included in the original State estimates. NSC data available for these entities were added to adjust the State estimate.

The state estimate used here does not include 36 school districts (~19% of Idaho students).
